

Proj 001 SL Conference Day

A+	The performance at the session exceeds rubric expectations
A	<ul style="list-style-type: none"> • The participant is fully prepared for the session. • The presentation, activity and feedback session are well delivered. Good clarity of speech, eye contact and body language. Delivered without reading notes. • English is used effectively throughout the session. • The participant contributes actively to all stages and displays a commitment to teamwork. • The presentation clearly addresses the research question and the activity is clearly connected to the research question.
A-	Some, but not all, Elements of A & some of B
B	<ul style="list-style-type: none"> • The participant is fairly well-prepared for the session. • The presentation, activity and feedback session are mostly well-delivered. Good clarity of speech, eye contact and body language. Delivered with some reading of notes. • English is used mostly effectively throughout the session, though some errors are evident. • The participant contributes actively to most stages and displays a commitment to teamwork. • The presentation mostly addresses the research question and the activity is connected to the research question, though not as fully as an A band. • The participant presents but does not attend other sessions as an audience member.
B-	Some, but not all, Elements of B & some of C
C	<ul style="list-style-type: none"> • The participant is adequately prepared for the session. • The presentation, activity and feedback session are adequately delivered. Clarity of speech, eye contact and body language may detract from the presentation at times. Delivered with reliance on notes. • English is used adequately throughout the session, though some errors are evident and may affect comprehension. • The participant contributes actively to some stages, though not consistently to all stages and a lack of teamwork is evident at times. • The presentation adequately addresses the research question and the activity is partially connected to the research question, though some aspects are incomplete. • MR or Sports Exemption, but no further effort to take part.
C-	Some, but not all, Elements of C & some of D
D	<ul style="list-style-type: none"> • The participant is unprepared for the session. • The presentation, activity and feedback session are poorly delivered. Clarity of speech, eye contact and body language detract from the presentation. Delivered/read from notes. • English is used adequately in parts of the session, though errors affect comprehension and may prevent meaning coming through. • The participant contributes minimally to the different stages and teamwork is not evident. • The presentation does not address the research question and the activity is not connected to the research question.
E	The participant attends but with minimal contribution or is disruptive.
F	The participant did not attend the SL Proj001 conference.
